

THIRD ANNUAL JAVA™ TECHNOLOGY COMMUNITIES IN ACTION EVENT

The annual Java™ Technology Community Event at the JavaOne™ Conference is not to be missed, with interactive networking opportunities for Java technology community enthusiasts.

The event reflects the openness and inclusiveness of the Java technology community. Everyone involved with or interested in the Java Community Process™ (JCP™) program, Jini Community™ program, java.net, JXTA™ technology, and NetBeans™ communities will want to participate in this two-hour gathering — come enjoy the reception appetizers and drinks and see who won community awards.

Plus, a guest appearance by Duke at the event!
